Sanjiv Padman is an authority on present day growth. His techniques have helped many industrialists, professionals, sports people and common men to gain an absolute clarity on overcoming the challenge ahead of them. Many of them, after a single consultation with Sanjiv Padman, have found their levels of motivation and spirit of pursuit rise dramatically.

What can you consult on:

Maybe you have been in business for quite a while and somehow don't understand why you are not taking off! OR. Maybe you have the feeling you are stuck or really do not know where you are going, OR probably you are simply out of focus. OR possibly there is a strain in your most important relationship. Then it is time to meet up with Sanjiv Padman. It will help you let go, gain a hold and push yourself to live with passion.

There are two ways you can consult with Sanjiv Padman

In person: This way, if you can access our office in RS Puram, Coimbatore, then you can schedule an appointment and come over in person at the scheduled time.

Online: You can choose this method if you cannot access our office or if you live anywhere else. We would be using a chat method (voice chat or video conferencing where applicable) or regular 'type in window' method.

Consultations with Sanjiv Padman are done in person or online. Each consultation is for about 2 hours and must be scheduled in advance by registering online or over phone.
